

### ARTICLE III. - REGISTERED NEIGHBORHOOD ORGANIZATIONS

⌚

⌚ Sec. 12-91. - Legislative intent.

⌚ It is the intent of the council to increase access to the various agencies and departments of the city for neighborhood organizations; to improve the flow of information between these groups and agencies of the city; and to enable such organizations to present their positions before certain decisions affecting their neighborhoods are made by agencies and departments of the city. For these reasons, the council hereby intends to extend official recognition to neighborhood organizations and/or coalitions of neighborhood organizations registered with the city; to notify such organizations in advance of occasions when decisions are to be reached on certain matters affecting their neighborhoods; and to afford representatives of such organizations the opportunity to present the positions of the organizations at such times. The council encourages neighborhood organizations to work cooperatively with any adjacent or overlapping neighborhood organizations to determine positions on issues affecting the neighborhood and to conduct business in an organized, representative and fair manner, which is designed to obtain informed participation from as many neighborhood citizens as possible. Neighborhoods are also encouraged to cultivate neighborhood membership and participation that reflects the ethnic and socio-economic composition of the neighborhood they represent. Registration of organizations with overlapping boundaries is allowed but the formation of numerous overlapping neighborhood organizations is strongly discouraged.

(Ord. No. 634-00, § 3, 8-14-00; Ord. No. 53-05, § 1, 1-31-05)

⌚ Sec. 12-92. - Definitions.

⌚ "Neighborhood organization," as used in this article, shall mean a voluntary group of individual residents and owners of real property, including businesses, within a certain prescribed area of the city, and/or a coalition of such groups formed for the purpose of collectively addressing issues and interests common to and widely perceived throughout the area.

(Ord. No. 634-00, § 3, 8-14-00)

⌚ Sec. 12-93. - Eligibility and boundaries.

⌚ (a)

Eligibility standards. To be eligible to register as provided in this article, neighborhood organizations shall meet the following standards:

(1)

They shall be formed by residents and owners of real property within a certain prescribed area. Coalitions of neighborhood organizations are limited to those organizations with registered boundaries contained within the City and County of Denver;

(2)

They shall hold meetings at which all members may vote, not less than once in each calendar year. A list of those attending the annual meeting shall be kept, and at least twelve (12) members must be in attendance at said annual meeting;

(3)

All meetings, including the annual meeting required hereunder, shall be open to the public;

(4)

Notice of all meetings shall be posted in advance of such meeting, in public places and/or in readily obtained publications such as newsletters, within their boundaries, as permitted and prescribed by law, and a record of said notice shall be maintained by the neighborhood organization;

(5)

Membership shall be open to any owner of real property or resident whose property or residence is located partially or wholly within their boundaries;

(6)

Neighborhood organizations shall have established boundaries, which may include one (1) or more neighborhoods within the city; provided that the boundaries of a neighborhood organization may not encompass the entire city, and provided further, that the boundaries of a coalition of neighborhood organizations may not encompass the boundaries of another neighborhood organization without prior notice to such organization.

(b)

Overlapping boundaries. The boundaries of adjacent neighborhood organizations may overlap, and such overlapping shall not render any neighborhood organization ineligible hereunder. However, such overlapping is strongly discouraged. Further, the requirements of subsection (a)(6) of this section shall be met prior to registration of such overlapping neighborhood organizations.

(Ord. No. 634-00, § 3, 8-14-00; Ord. No. 53-05, § 2, 1-31-05)
