

CPFAN Board Meeting

February 4, 2015

Board members attending

Louis Plachowski
Bridget Walsh
Hank Bootz
Georgia Garnsey
LaMone Noles
Tom Korson
Priscilla Linsley
Linda Dowlen

Business:

There was a presentation from George Pond, Vice President for Design and Campus Management at Denver Zoo, and members of the Denver Zoo about some proposed zoo grounds improvements as well as various ideas for landscaping around the perimeter of the zoo. A “clicker” survey was taken of the audience on preferences for plants, art and other treatments of various zones around the facility. The results will be considered during further planning of zoo improvements.
